Small Disadvantaged Business Self Certification

Our understanding is that as of September 23, 2008 the United States Small Business Administration is No longer supporting Small Disadvantaged Business Certification.

Per the Small Business Administration, one of our options is to Self Certify ourselves. Accordingly, BG E & C, Inc. (d.b.a. BG Electronics Company) hereby certifies that it is a Small Disadvantaged Business according to the guide lines of the United States Small Business Administration.

Our previous United States Small Business Administration letter of Small Disadvantaged Business certification which expires 10-18-2008 can be downloaded from our website at www.bgelectronics.com

Let it be known that BG E & C, Inc. (d.b.a. BG Electronics Company) had completed and submitted all required documents to the United States Small Business Administration in May of 2008 to become recertified by 10-18-2008. We regret the United States Small Business Administration No longer supports SBD certification.

If you require additional information, please do not hesitate to call.

Regards,

Gonzalo Gonzalez II
